### The Lady:

Beautiful, tall, 20 year old brunette. Slim but curvy in all the right places. From Madrid originally.

### The Story:

Girls introduced themselves to me. 5 available on the day but only 4 free when I arrived. Was a toss p between her and an asian girl called Sophia. Both really nice and pretty. So will try Sophia next time.

Nice relaxing massage to begin. Gentle hand job then onto covered oral (OWO ?10 extra). This was good was able to fondle her tits which had really nice prominent nipples once stimulated. Some fingering was also allowed. Could feel her getting wet and also my sap rising too.

So moved on to reverse oral and this is when things really started to warm up. She was quiet to begin with but soon started moaning slowly and became quite wet. She never quite came but spent a good time down on her. The condom on and great wet, warm sex in several positions. She was so tight and my cock felt great and was fit to burst. Very accommodating and was happy for me to take the lead. Finally came in missionary while kissing her urgently.

Great punt. Will be back for more.
