The Story:

I've used agencies before, both in London and abroad but i have to say that i was impressed with how friendly and helpful Midland belles are. Laura recommend Kim and boy o boy was i impressed. she is gorgeous and sexy. and after dinner at a resterant that Laura recommended, and then we went back to the apartment, and had a wonderful evening and i hold too much respect for Kim to go into intimate details, but will say that her oral is wonderful. She is a classy gorgeous lady that i would rebook again. when i woke up brakefast had already been made. Courtesy of the agency which i though was a very nice touch and never experienced before. all in all an amazing night and great value for money.
