The Premises:

A very pleasant detached house in a residential area. Parking is very straight forward in a pub car park opposite. Once across the road and through her gate you are not overlooked. The house itself is very clean and tidy. Its a very handy stop off point when travelling south being only minutes from J31 on the M1.

The Lady:

Gina is around 40 and very nicely proportioned with brunette hair and attractive blue eyes.

The Story:

I have visited Gina quite a few times and am never disappointed. She always makes me welcome and has a good line in easy chat. She is an absolute expert at french kissing and, if you enjoy that kind of thing, then this is a real treat. She also uses her mouth to great effect when in the bedroom where her oral sex is also a fantastic experience. Gina will let you CIM, by this point I am usually in a state of collapse! Time always goes too quickly and as it did this time and the full sex we have had on previous occasions will be something to look forward to next time.
