The Story:

soon sorted out and organised. Shown the bathroom and the bed. and after the shower joined her on the bed. Hands got to work and after 5 mins she was doing wonders for my cock. After the handi work her mouth was soon down there as well and I was soon stryggling for control. A few more mins of that and then on with the mac and slipped into her from behind. Nice and tight and soo shagging for UK. Turned her over and finished off in mish. Really enjoyed myself with her, Lovely sesh.
