The Story:

Anna was dressed in a sexy black dress, and had her wonderful cleavage on show. She is the girl next door, a little reserved , if not a little naive in style, which is a pleasant change. Oral covered was superb. She asked early on could i manage twice, which was nice as I was soon to get over excited by this rather cute young lady. Second time round between massage and oral finished with her masturbating herself whilst I was invited to come over those pert boobs. A full hour , no clock watching, a real younger girlfriend experience.
