The Story:

Sasha was standing in for the usual lady but I am glad that it was her that I seen after this service. After my shower sasha gave a very relaxing massage. I turned over and received some of the best oral that I have had. After this I had to return the compliment and sasha was very responsive and tasted sweet. Then onto sex which was great in a few positions. Time ran over by 10 minutes.

I will be trying to ask for sasha to work more at this great little place. If she does then wild horses could not keep me away.
