### The Premises:

Enough reports have been written about this establishment to know that is warm, comfortable and welcoming.

### The Lady:

Very tall and attractive blonde lady with superb nipples and legs that go on for ever and most importantly with a great chatty sense of humour.

### The Story:

After an indifferent day of work matters, I stopped off at HO for some relaxation on the off chance and found that Libby was working and I wasn't sure if it was the same lady that used to work at Abby's.

It was to my delight and whilst I wont go into detail of what we got up to in our time together, it was highly enjoyable and this lady is recommended to almost anyone as she is a complete minx!

We also had a nice chat after proceedings and that also left me with a smile on my face.

Look after this lady, you wont be disappointed.
