The Premises:

I met Laura at a hotel in Norwich, it was very easy to get to, clean and discrete. Parking was no problem.

The Lady:

Laura is nothing short of beautiful with long blonde hair and amazing eyes. Her photos do not do her justice. She has what can only be described as a drop dead gorgeous body - it is evident that she looks after herself, perfectly in proportion.

The Story:

This is the second time I have met with Laura and I can only say that the experience gets better and better. She offers a true GFE and this is something that I really like. She is passionate and seems to genuinely enjoy what she does - not one just there for the money. My time was a mix of sensual and down right horny but I'm afraid I will leave the specifics out of this.

Thank you Laura for a great time!
