The Story:

Got there got the money side of things over - Cassie was wearing stockings (requested) and a basque + g string she could not find the suspender clips to this - the hold ups were too big for her! Offered a shower and she said she could not do oral as she had mouth soars!

On to the bed stroked and played for a while (fantastic boob job!) wanted to explore her pussy - refused no fingers allowed. She gave a hand job, on with condom and moaned about how big (long) I was! - I am only average 6 and a quarter inch - kept saying and moaning I was hurting her! carried on not so deep in many positions (still she moaned) So assumed that Anal was out of the question! (the website says O and A levels. Then cleaned up and she wanted to just go to sleep, so cuddled up for a while. Wanted to touch her, kept shying away and wrapping up. ! so no round 2 no Anal or OWO, moaned a great deal! hence can not recommend as she is far from All Services! Sex was good and enthusiastic if the moaning was ignored...
