The Premises:

Typical WG flat in that very well known block in Edgware Rd. I have lost count of the number of different WGs I have seen here over the years. But the blocks are very safe and secure if soulless

The Lady:

Slim, late 20s as per web site, but with a lot of spots on her face, definately not as alluring as the web site suggests, but pleasant enough

The Story:

Agency were poor when I was trying to book Silvia, they agreed 4.15, but then never texted address, despite 2 calls chasing. I had given up hope when they called at 4.45 to find out where I was, so finally sorted out and got there to see Silvia. So if you use 90 min, you might want to check the address etc

Overall, this was an average punt. Silvia isnt as cute as in the pics, and has a number of spots on her face so I nearly walked, but the good reviews on the web made me stay. Was hoping for a full on GFE but got an average EE experience. No DFK, just sort of closed -slightly open-mouth kissing, ok bbby and CIM but too fast for my liking. On the plus side, she did work hard to get a second pop out of me, and we finally got to a second CIM.

A good back up punt if you favourite isnt available, but I wont be returning.
