### The Premises:

Standard WG flat, easy enough to find

### The Lady:

As per web, I thought she was slightly older but very good to look at, but slightly strange breasts

### The Story:

I had had a long business lunch and too much champagne to really appreciate this lady. Had a good GFE some DFK/OWO and finished both times with a wank over her breasts which I thought were a bit of an odd shape but seemed natural (!?). I think Gabrielle is the sort of WG that if you saw on a regular basis, you would get more and more from your visits.
