### The Premises:

looks dismal from outside, but from the inside it is a very well appointed, it did feel safe but it would be obvious where you were visiting as car park is isolated, although if not local should not be too much of a problem

### The Lady:

19 year old busty brunette, pretty in face lovely blue eyes and to be fair accurately described by receptionist, not a stick insect but that is my preference

### The Story:

had a rather short massage, but nice touches in the tender areas, opted for owo(this is a first for me) and sex to finish, started with Charlie in cowgirl and finished in doggy. nice use of mirrors you can also see the huge plasma showing porn anyway you look, highly erotic session would recommend to any guy, thanks for a special time will be back
