The Premises:

La Maison is well reported - probably one of the nicest establishments in the North West if not UK

The Lady:

McKenzie is gorgeous she has a beautiful face and body with a special little glint in her eyes.

Her description is exactly as written on the web site and as the cliché goes the photos do not do her justice mainly because you can't see her eyes!!!

The Story:

I never go into blow by blow details of my appointments but I have never been with a girl who has made it feel more like a true girlfriend experience than McKenzie, the kissing was excellent and I honestly thought she was there because she wanted me.

I'm not deluded enough to think that someone as overweight and unattractive as me could get a girl like this without going to somewhere like La Maison, but for the 30 odd minutes I was in McKenzie's company I really did begin to dream!!!

This was my best punt ever, McKenzie should be a national treasure, and she has set the bar so high I don't know if anyone else could meet it, so much so that I tried to see her again on Sunday but she was leaving.

A word of warning gentlemen, if you want to know what the ladies at LaMaison do and don't do read their profiles!!!

If you read this McKenzie, thanks and have you asked the question yet??
