The Premises:

her place was a nice modern appartment complex

The Lady:

very tall and very very thin ..painfully thin..

The Story:

well i read her previous 2 reports and all sounded good..

but i turned upto this punt and on entering all was fine..althow vanessa was extremley tall and very painfully thin not my cup of tea really...

but onto the session,firstly i could hear music in the next room with 2 guy laughing ,this was very offputting and a bit intimidating..

after stripping off and being massaged there was a knock on the bedroom door vanessa shouted im busy..

this shaninnagans put me right off and i had too finish with hand relief ..

and just to cap the worst punt ever she said while hand releiving me "can you hurry it up please""

this is by far the most embarrassing punt of my life and i deffinatley wont be returning

Service Provider's Rebuttal

Vanessa writes:

Total garbbage,no other men allowed anywhere inside appartment when iam entertaining,maid on reception, ensures that will never happen, checked that day i did not see this person,someone,male or female, out to discredit me, who either knows me or not.Have had several good reports from well established punternet guys on here,who have said really nice things about me,i appreciate all your comments.
