The Lady:

Shannon is dark haired, Scottish, with a fit body (5'6"ish) and shaved pussy. She's got a few nice tatoos and a pierced tongue and clit.

The Story:

Shannon was brilliant. After she had a quick shower to freshen up we started off with me giving her a massage (she offered to give me one but I declined) which gave me plenty of opportunity to explore her body with my hands. Then a moved down to lick her out which was great. After switching around to me underneath her and some full on kissing, we then moved to 69, with excellent BBBJ (nice and deep), and then doggie style fucking. Finished off with more excellent oral and CIM. A real GFE - if you've been very lucky with your girlfriends.

A really lovely girl, with some good banter as well. The only thing she wasn't up for was anal, which is fair enough really. Relaxed with a nice bath afterwards, and sent me back to work with a smile on my face. I tipped her extra, just because it was so good.
