The Premises:

Very nice neighborhood. Nice safe and fancy looking building

The Lady:

Extremely beautiful. Just like pics. But ofcourse much sweeter in real life. If youre in latino's she is a must. The most beautiful green eyes I have ever seen. Totally slim with a perfect arse and slightly enhanced tits (not too big just perfect)

Going to school in London for 3 months. Just turned 25

(she is on serveral websites but I choose lilyfields as I have only good experiences with them and very nice communication before)

The Story:

startet kissing and hands all over. Very gfe like. I licked and sucked her very very small and tight and deliscious pussy and A-hole. Very tasty :-)

I also carefully fingered her pussy and ass. Then covered bj and really intense fucking in doggy style.

Nice chating in between.

Then more pussy and ass licking. Covered bj. fucking against the wall front and backwards in final doggy on the bed.

She lived herself into this just perfect. She is a great fuck and really beautiful young firm body.

Threat her well

Only downside was she did not dfk, no cim and no anal (as promised by the agency.....) but in the end it did not mater as I left as a new man
