The Lady:

Tanya i would guess is in her mid 30's with blonde hair standing at 5'10 ish with her heels on. Quite attractive with a nice body.

The Story:

I hate to submit a negative report but from the outset Tanya just didn't seem interested. Breif conversation offered a drink which i declined and then face down and on with the massage. I must confess that i am a little shy and this may make me difficult to talk to but it was all just very clinical. I saw Tanya in January of 07 and came away perfectly happy however this time i felt like a hinderance to the girl.

Asked and got talc after 5 minutes of a professional massage the teasing began, asked to turn over and was run through list which consisted of full strip h/r for ?40, sex ?40, oral ?40 and both sex and oral for ?50. Went for sex and oral.

On with the condom and Tanya's teeth were all i could feel on my nob. Then sex then Tanya lay me down and finished me by hand(credit where credits due it was wonderful).

I felt this was all clinal and maybe Tanya just had an off session. If i have misjudged you Tanya then i apologise.
