### The Premises:

Basement flat with front entrance on main road and more discrete rear door. Easy parking and a safe area. Hall and staircase a bit shabby but waiting room, shower and bedroom clean, tidy and warm. Subdued, moody lighting and TV with basic porn playing, spacious round bed.

### The Lady:

Debbie is petite in statue and cuddly, with ample boobs and a lovely bum. Dark haired with a mischevious face and lovely green eyes. Not for those who prefer slimline ladies. Said she was 42 and looked good for it.

### The Story:

Lots of lovely GFE kissing and petting, Debbie takes charge of the disrobing with plenty of sexy fumbling. She likes to give nipples plenty of attention and lots of handling and stroking. Comprehensive oral both ways (covered), a lovely assisted shower and back to basics on the bed. Lovely relaxing chat afterwards, she was very generous with my time and kept two others waiting, possibly because this was my first time, although previous reports suggest an unhurried approach.
