The Premises:

My place, so just the way I like it.

The Lady:

Blonde Lithuanian 5' 4" tall and very slim with a very fit little body. Interesting face rather than drop dead gorgeous. Quite chatty and unaffected.

The Story:

When Paris arrived we quickly got the preliminaries out of the way and retired to the bedroom. Some light kissing that gradually got more passionate. This was followed by OWO, again a bit light at first but improved with time. I then got her to lie on her tummy while I kissed her all over. I turned her over and went down on her. She got extremely wet and came like an express train, she bit herself to stop herself crying out too loud. It was on with the rubber and cowgirl followed by reverse cow girl before I finished myself off while admiring her very kissable bum. All in all an extremely good punt and I shall be contacting Paris again in the near future.
