The Premises:

As previous reports, safe, secure and not especially over-looked.

The establishment continues to be well kept and looked after. Fresh towels always to hand, a good shower is available and a drink was offered but not accepted this time.

Two girls were available - Jodie and Paris - and as always it was difficult to choose between the two, however I chose Paris.

The Lady:

Paris was a lovely, curvy brunette - between 25-30, a size 8-10 and about 5' 4" but difficult to tell with heels - with great 34DD boobs.

She had a great, genuine personality and really seemed to enjoy her job.

The Story:

Paris started off by running through the various options available but there was no rush to decide. After a great massage, with some lovely kissing and caressing of my back, I went for the full GFE including OWO.

We started off with OWO as well some fantastic reverse oral - Paris certainly knows what she's doing. Once the condom went on I plumped for missionary and suprisingly lasted longer than I thought I might given the circumstances.

All in all well worth the money and as always at this establishment well worth a repeat visit.
