The Story:

Well, been a while since I submitted a FR as I've just been seeing my regulars. However, on being unable to book Estelle, I took a chance on Alex based on reviews here and elsewhere, and I am very glad I did!..

..within minutes of saying "hello" my cock was buried down her throat, this girl just loves it!..what followed was a blur of fucking in lots of positions, anal that was DEMANDED by Alex..which has fantastic as she is so into it, and a couple of toe-curlingly good orgasms, one in her ass, and one that was swallowed...killer girl.

For fans of Estelle, Alex is definitely one to see.
