The Lady:

Emma is a pretty blonde with a lovely personality and a stunning figure. She has beautiful natural 34C breasts and a neatly trimmed, postage stamp size tuft of pubic hair. Yummy !!!

The Story:

Emma has very sensitive nipples which she loves to have licked and sucked and which respond by standing up so much that you could almost hang your coat on them. I would love to have licked and sucked her lower down, but although she is very good at giving (protected) oral, she isn't into receiving. She isn't into being fingered too much down there either, although she did let me play with her clit and her labia.

But I am not complaining. I had a superb time with Emma and I certainly intend to go back for more.
