The Story:

well after i visited another lady at this establishment only a week previously i must say i was dissapointed to say the least.....

first dispite the price lists being posted all over the walls i was overcharged, opted for the gfe and o with, i may of caught her to early in the morning but i just felt totally rushed there was no convresation and to be honest i gave up after 15 mins as it was quite clear we did not click, no offer of any refund so i showered and left.... i will visit the establishment again but not to see this lady
