The Premises:

Annie lives in a 3rd floor flat in Earl's Court. I couldn't work out the lift so had a few stairs to climb but was worth it when I got up there.

The Lady:

Annie is a Thai girl far far better looking than the photos suggest. She was dressed in the pvc outfit from the photos as I requested with the agency and she looked like a very naughty girl. Nice.

The Story:

I wanted a domination session so checked with the agency that she knows what she is doing as most girls I have seen for this service haven't had the first clue as to what they are doing. However with Annie she knew what she was doing and was firmly in control for the whole session. I had a drink on arrival and after some brief chit chat she told me to get on my knees. She put her hand around my neck choking me, slapped my face and spat in it before telling me to lick her boots. I obliged and tried to move up to her pussy but she slapped my face and told me to bend over. She whipped me incredibly hard with a huge whip which hurt a lot and actually caused my skin to break after a while. She could see I was in pain but made me stay put and she blindfolded me. She then lubed up my arse and fucked me with a fairly large strap on. I asked her to stop but she said no as she was having fun. She pounded me for a good few minutes before grabbing me by the throat again and throwing me to the floor. She asked if i'm ok and would I like a drink. I said I would so she took me to the bathroom and pissed in my mouth making me drink close to every last drop. She told me I was a dirty man and then washed me up in the shower. She asked if I would like a reward and I said I would so she gave me a blowjob in the bathroom, and then we went into the bedroom where I fucked her wet pussy before switching her over to doggy, lubing up her arse and fucking it until I came. I laid down afterwards with Annie giving me a cheeky grin, and telling me I better come and see her again soon. This was by far the naughtiest girl I have ever seen and she really enjoys doing domination so I had a thoroughly enjoyable time. The sex was good too and she seem to have no limits so if you want a girl who is cute, sexy and extremely dirty I couldn't think of anyone better than Annie.
