The Premises:

Small place in Chelsea. Safe and clean.

The Lady:

Not far off the pics (and thats as much as you can hope for!). Bubbly, curvy girl in her early twenties with great skin and lovely big tits.

The Story:

Fairly straightforward punt with a happy go lucky girl though there was no CIM or anything remotely exotic on offer. No matter though as she is dead sexy and just looking at her made me nearly shoot my load. When all finished up and I was on my way I realised I'd left my watch there and when I went back and saw her in jeans and a tight top it made me want to dish out another \$200!
