The Premises:

usual standards but with an unusually packed house of girls at one oclock on a sunday..so for once i had a decent choice to make..

The Lady:

i was shown in by a slim blonde eastern european and i kinda thought yeah ,shes for me.. once in lounge she was not too be seen so thought another punter had nabbed her.I sat next to eva,and was introduced by iain to the others,samantha,josie,zoe(still late as usual)and i could hear another girl still getting ready.Eva was pleasnat to look at,curvy build and ample chest,nice face and long black shiny hair.

The Story:

I'm glad i took a chance as eva was not the stereotype of girl i usually go for.Mid to late 20's from Ukraine and been here for 8 years,workin on and off at scorpios for a few years.i had a massage which was worked into some very nice ball licking and owo.then onto some oral on eva which she liked and start and stop sex for 10 /15 mins with plenty kising groping oral in between.then onto giving her a cim and facial and that was a good punt for me...
