The Story:

Initial contact with Amy was by e-mail, it was brief but friendly, we arranged a booking & I was given the location of the hotel. Upon arrival, at the given time she called & directed me to her room.

After a quick chat we started with some passionate kissing & we were soon shedding our clothes on the bed. This moved on to some amazing uncovered oral & then me returning the favour. Things were getting really heated up now so it was on with the condom, Amy wanted me to take her from behind so we started off in doggy & went through a few positions before finishing up with CIM, her swallowing the lot.

Amy is an intelligent & classy young lady with an engaging personality, she also really does love sex, enjoys her work thoroughly & nothing that she does is delivered with anything less than enthusiasm, I will be returning very shortly!
