The Premises:

This visit was at House of Divine 3. The entrance is on a busy street, but as it's the entrance to a block of flats you could be visiting anyone. I guess you're hiding in plain sight.

The Lady:

For me, Chloe can be described as the typical girl next door. She is attractive in a non-conventional type of way. She has a lovely way about her and seems very willing to please. I found her very sexy.

The Story:

Chloe is very skilled in the bedroom department. She comes at you like a whirlwind and it's none-stop action from the off. After we got the financial side sorted out, she attacked me with her tongue. She French kisses like no other WG I've seen and I must say it got me as horny as hell. We kissed and rubbed each other whilst standing for a while, before she turned around and bent over presenting me with her arse. Not wanting to offend I dived straight in and indulged in some reverse O mixed with a spot of rimming. She made me fuck her with my tongue, which she seemed to enjoy.

There has been some mention of Chloe's oral skills in other FRs. I can now vouch for the accuracy of these reports. She gives one hell of a blow job and had me as hard as a coffin nail throughout the punt.

After sex in a couple of positions we finished with a facial, with Chloe tying her hair back with a stocking as she'd forgotten her hair band. I liked the improvisation.

If you want to have the time of your life with a raunchy girl then I definitely recommend Chloe.
