The Story:

This girl is exceptional, an English rose who is slim and fit. This is the first time I have really experienced a true GFE experience. Anything goes and with a great attitude, I won't go into what we did but suffice to say that kissing and A level were on the menu and freely given with a sweet and natural loveliness that I won't forget in a hurry. I'm reluctant to let you know about this sweet and loving lady but, hey, I'm a nice guy too.
