### The Story:

Whilst waiting in reception, I was going to book the very bubbly, friendly and curvy Amber. Changed my mind at last moment and opted for new girl Simone and what a mistake. Simone is too quiet and in my opinion not a "World Famous Babe" - not even in the ball park sorry. I asked for a 69 and during this it was obvious she had not cleaned herself since seeing her previous client - it isn't too much to ask a girl to wipe herself with babywipe is it? ugh!! Right upfront she said she only had 1 condom so I coughed up extra ?10 for OWO but her technique was appalling - she only seemed to take my tip into her mouth and when I enquired she said that's all I do. It's so disappointing to have this experience in such a reputable establishment. Fair enough some WG's may not like some punters but when you have paid you expect a warm and friendly service as a minimum. To the management of WFB please note I have been with one of your real WFB's Kristiana 3 times and she is 10/10 in comparison - what a babe. Simone is 0/10 and wasn't even worth the ?10 I paid for OWO, I think she should consider a career change personally.
