The Premises:

Top floor flat in a large block 5 mins from Paddington Station. Only shown the bedroom (1 of 2 and I think the other was "in use" by another girl)- Very basic bed, small table and mirror wardrobes

The Lady:

Does not look like the web site photos, much darker skin, looks several years older! Dressed AOK and had stockings on as requested.

The Story:

No shower offered (maybe because of the second bedroom see "Her Place") and on getting close to Eva, she clearly hadn't used the bathroom either! a big turn off to start with.

Exchanged money for a glass of wine, and straight to the bed and OWO - then on to sex in two positions for round 1.

Advertised as Naughty and adventurous - actually more boring and more boring would be better.

Did not initiate anything just on the bed arms and legs folded in as if to say that's it! talked for a while - Eva pulled fingers away when I attempted any play! certainly did not want to do oral, previous comment, so no round 2 - dressed and left.

Summary poor punt - photos deceiving, would not return even for free!
