### The Premises:

Celeste's directions were easy to follow. Parking is easy and Celeste's house was discreet and clean. I felt safe and welcome.

### The Lady:

Celeste is a lovely attractive curvy lady. As asked for she was dressed in a black basque and stockings

Celeste's pictures are good on her website but still can't do justice to her.

### The Story:

From the first moment I met Celeste to when I left was a wonderful experience. She put me at my ease from the start.

As stated before she had dressed as I requested and what a great sight that was. It got me going from the very start.

After a chat, interspersed with kisses, in which boundaries were explored she led me to the bedroom

We kissed and cuddled and Celeste explored me from top to toe. She then gave me some wonderful oral and I reciprocated. She seemed to like that.

The sex was superb both in doggy and with Celeste on top.

Celeste does not clock watch. I had a shower and we continued to chat.

I had a journey to complete after leaving and I had a smile on my face the whole time. Spending time with Celeste is a joy and one which I hope to repeat the next time I get a chance.

Thanks Celeste. Mike x
