The Premises:

Nice friendly place. It's always nice to catch up with the receptionist about comings and goings at WBF and the punting scene in general.

The Lady:

Farrah is a slim, lovely looking girl of Indian descent with an excellent friendly attitude.

The Story:

I had a pleasant half hour with Farrah. During the punt she was a little hasty to move on from oral (without) to sex, but was very happy to slow down at my request (more oral and some fondling with fingers). She is very slim and it was a wonderful sight watching my cock slip in and out of her in the mish position. Unfortunately I didn't last to get her in the doggy position.

Throughout the punt she kissed with some light tongue, which is always nice. She seemed to enjoy the 69 and really grinded her pussy on to my face.
