The Premises:

It was not very easy to find her place although I had a map with me. Overall, her apartment was not too bad. It's located somewhere near a commercial area and it looked a bit posh from outside. Inside her apartment was quite clean and neat but the toilet was a bit dirty. Apart from this, everything was fine for me.

The Lady:

Heidi was a very nice, tall stunner. Her pair of boobs were firm and quite shaven PuXXX.

The Story:

My impression about Heidi--PERFECT and PROFESSIONAL. In the whole hour she did what she said--OWO, French Kissing and nearly everything but no A-level-- before we got down the business. She was very energetic and fun-loving lady and like sharing her every single piece of going-out experience to you. As recommended by previous genuine reports from other authors, it is worth for money.
