The Premises:

Dollymopp met me at the pub just around the corner and escorted me to her place which was safe and easy to find and inside....wow, her boudoir as she calls it is war, exotic with seductive lighting and much showing Dolly's obvious flair and character.

The Lady:

Dollymopp is a beautifully petite lady who exudes charm and character and puts you instantly at your ease.

Wonderful dark hair, captivating eyes and a wicked smile.

Very seductive and flirtatious, exactly what a man would dream of.

The Story:

We started by having a glass of wine relaxing on her bed. Dolly had bought a bottle of red wine especially for my visit and a glass turned in to a bottle very quickly.

We talked and talked, relaxing and chilling as we drank the wine and laughed, telling stories...the time just flew but Dolly was in no hurry to kick me out. We were having too much fun talking.

She kissed me passionately before I had a quick shower, returning to find Dolly dressed in the outfit I had requested (one from her pics) and obviously up for some fun.

A wonderfully pleasureable 2 hours were spent in her arms and she proved herself to be a dream to spend time with, going out of her way to pleasure me and herself.

Dollymopp is a true angel and deserves to be respected and treated well as she will make your time spent with her a time you will not forget.
