The Lady:

Sandy is a brunette in her late 20s with a good body, I guess around size 10-12, with all the curves in the right places. She has a brain to go with the body ? is well travelled in the world and can talk intelligently about places she has visited.

The Story:

We decided a massage wasn't necessary for starters and moved straight on to the main course of oral (with). Good eye contact from Sandy and I could quite happily have let her make me come like that but she said that I would enjoy the real thing even more. She was right!
