The Premises:

IM has very high standards, which were maintained as usual.

The Lady:

Karina a a youthful Italian beauty. She has magnificent anthracite-black hair, an enchanting smile, and large, firm breasts with exceptionally well defined nipples. She's a bit plumper than she looks on the website, but it's all good stuff and in the right places.

The Story:

Being very young, Karina is not terribly experienced, and tends to play it by the book. She therefore insisted that I share the jacuzzi with her, even though my (thinning) hair was still wet from the bath I'd just taken at home. She also insisted that I take a massage before the main event (which I didn't mind, though it was rather a perfunctory, unskilled massage).

As for the main event, that was brilliant, though I only managed two positions before coming.

In general, she needs to loosen up a bit. She seemed terrified that I might be unkind to her nipples, and once it was over, seemed far more willing totalk.
