The Premises:

The apartment was ok, nothing special and not the best area in London (Bayswater) but i've seen worse.

The Lady:

Katie is a very nice girl indeed, I should complain to the Agency because her pics are heavily retouched but that's not her fault, much more of the Agency, she's a nice girl and provided a good service I don't see the point to spoil the whole thing using so heavily photoshopped pictures.

The Story:

Katie will stand in my book for the great OWO that gave me, sex too was good and in several positions but no anal, finished with another OWO. I wish to see her again, she may not be a model type but was friendly and provided a good service.
