### The Premises:

Her apartment was not bad, however, it was a mess to find it, it was hidden in Pimlico, I wondered about for awhile then, finally she saw me from the window (she's on the ground floor) and let me in.

### The Lady:

Her pictures are at least a couple of years old, she's much heavier now and had not the right attitude, unfortunately, after I spent good 15 minutes looking for her flat I hoped for the better and decided to stay, big mistake.

### The Story:

She was not interested at all, her oral, that was really more a hand job, was covered even if I asked to the agency and they confirmed that she does owo, she even had the face to tell me that the agency made a mistake, that she never does owo. Forget about 69, didn't smell so fresh, I went straight for sex, she was completely unresponsive, even complained about pain as I am to big (which I hope to be, but i'm not) I managed to finish, just to have my money's worth, I could not wait to leave. Never wasted 200 quid so badly.
