The Premises:

First floor flat in Balsall Heath. Plenty of parking in the area without being too obvious. Not a great area, but place is ok. Not the cleanest establishment ive been to but not the worst either.

The Lady:

Jenna is Romanian, about 20 years old. Tall with lovely dark hair and blue eyes. Small pert breasts and trimmed down below. nice smile and very friendly. i chose her from a line up of 6 girls working that day.

The Story:

Basic service here is ?30 which is great value. For an extra ?10 OWO is available. started off with a nice massage although i wasnt too bothered about having this. Then onto lovely OWO. Jenna can take quite deep and likes a reaction from you. No problems with touching her. She licked and sucked my nipples too which was nice.

Then onto sex missionary style with condom. Kissing available throughout, which i dont normally indulge in but Jenna had a lovely smile so french kissed all through. Then off with the condom for more oral, completed with CIM. Jenna discretely emptied her full mouth into tissue. Lovely girl and well worth the money.
