The Lady:

Bianca is 5'9" tall with a slim size 10 figure and wonderful 34D breasts. She has blonde hair, a gorgeous smile and a very easy-going manner. I'm going to guess that Bianca is in her late twenties, she looks as though she could be 24 however the confident, self-assured way she behaves suggests that she's a little older than she looks.

The Story:

Bianca entered the room as I was emerging from the shower, she thanked me for waiting to see her and apologised for running a little. We then started with a professional massage before I turned over for to the start the equally professional fondling of the little guy. After arousing my interest it was on with a condom for some great oral before Bianca straddled me before lowering herself onto the little guy. There was almost unbroken eye contact and you really feel that she's there with you enjoying it as much as you are. We moved through missionary into doggy for the inevitable climax.

Bianca is a wonderful lady. She is self-assured confident and very much there in the room with you for every minute of your time together.

Whilst we were chatting Bianca told me that until recently she worked at Sandy's Superstars where she was known as Keira.

I had such a great time I tried to re-book for the last half hour of the day, but sadly she was already booked-up for the rest of the evening. I will definitely return for another glorious half hour with Bianca.
