### The Story:

I had seen Bianca earlier and was still revved up after the booking however when I was unable to re-book to see her I opted to see Peaches instead.

I skipped having a shower as it was less than half an hour since my last one and we went straight into a gentle back massage. After a while Peaches asked me to roll over and massaged my chest and legs. After some fondling to get the little guy interested again it was on with a condom for some strong excellent oral. After a while Peaches asked me to take her doggy style. Wow, she felt really good and we continued for a while like that before I asked Peaches to lay down so I could take her from on top. It's crass to say this but Peaches was extremely tight and the sensations felt by the little guy were almost overpowering. When I was taking Peaches deep and hard she was pulling me in deeper and this let me know that I was doing something right. The combination of the feelings down below and the knowledge that Peaches was on the verge of her own orgasm took me over the edge. Sadly I came just a little too quickly and was not able to give Peaches her orgasm.

Bianca had me revved up so much that I needed to go again. After Peaches I was still randy and was almost tempted to go for the hattrick with Melanie. It was only the lack of ready funds that prevented it. So I had a third shower before heading home a happy man.
