The Premises:

have to say been to most parlours in the midlands, and some of them are right seedy places, but this is on a par with head office in Stoke for decor. very clean and tidy

The Lady:

late 20s tall with a lovely smile and massive nipples. It is the second time I've seen Skye this time her hair was straight (on a personal note she had little curl last time that I prefer but still a very attractive lady)

The Story:

having visited her a second time (she remembered me) the chat was brilliant she gave me owo which I had to ask her to stop or would have only lasted seconds. Superb sex in missionary for what seemed like 10 mins turned her over for doggy and have to say the awesome sight of that perfect peach of an arse meant that the job lasted only another 2 mins. a lovely girl will defo see her again
