### The Premises:

Cleanish, but will win no prizes for it. No soap or towel in the loo, or light

### The Lady:

Polish girl, with what appeared to be a bit of a tum. On undressing this was a tum and a half, almost gave me a run for my money.

### The Story:

Tried very hard and included OWO for a brief spell in the basic ?30 price. Incredible VFM but lacking something. If you want your load shot on the cheap you cannot go wrong, but I will try one of the others next time.
