Often reported. One of the top four saunas in Manchester.

The Lady:

Her description on the WFB website is accurate, and the photos there give an accurate impression of what she looks like. She has changed her hairstyle since the photos were taken, and her blond hair is now straighter than before. Her face, which is obscured in the photos, is both pretty and friendly-looking. She is 24 years old, she told me, and I believe her. She is 5'6" tall, is slim, and has medium-sized breasts, perfectly-shaped, and natural. Down below, she is shaven. Overall, very attractive. An English Rose.

The Story:

A gorgeous and friendly young woman, who seems to enjoy the sociability side of her work. She seems to enjoy meeting customers and chatting to them -- at least, that was my experience of her. She is an intelligent conversationalist, and was the first working girl that I have met who actually knew who Don Juan (my pen-name) was in literature.

Casey has a relaxed manner, and this enabled me to relax with her (I am sometimes a rather nervous punter). It is easy to make her smile, and I even got her to laugh a couple of times. When you get on this well with a working girl, it becomes very easy to have a good time with her.

The result was a first-rate GFE -- one that makes the whole concept of punting worthwhile. I recommend Casey for any punter who is looking for a relaxed, soft and intimate GFE with a gorgeous girl. She treats her customer with friendliness and as an individual, and this is the main reason why I enjoyed my time with her so much.
