The Premises:

Her place felt very safe to go to and park up, it good do with being a bit tidier but seemed quite clean.

The Lady:

Mid to late thirties, longish blonde hair with highlights, as other reports have said she's not a stick thin model but very natural and cury in the right places.

The Story:

Greeted me as I entered an was dressed as I'd requested I normally only see ladies who have proper websites but I was very horny and wanted a last minute booking in the Burnley area, she had Good FRs and seemed like a bargain at the price with the services on offer.

She gave excellent OWO and would have swallowed however twice I rubbered up and finished with some good hard and deep fucking. She brought out my sadistic dom side, she loves to have her nipples, twisted, pinched and bitten. Very friendly and chatty, not a clockwatcher, good all round value.
