The Story:

After initial introduction and payment, we settled down on the bed. Mia does not provide sex, she makes love to you, she responds to your movements and provides a true GFE. After the first round we lay cuddled up and chatted for a while then started again and the pure look of lust in her eyes and on her face when she mounted me, made it plain to see this lady is something very special. I do hope she will tour to Bristol soon or I will have to find an excuse to go back to Birmingham.
