The Premises:

Much-reported previously: into the lift at street-level and up to the well-presented rooms. Dedicated free parking.

The Lady:

A lady born and bred in Brum, but of Punjabi extraction. Long dark hair, size 8 and with 34C tits. Petite and with pert bum and dark brown nipples. Wore stockings, as requested. She told me that she is 31YO, then asked me not to report this. But, honestly, fellow-punters, she does not look even 21YO: best-preserved 31YO in the business.

The Story:

Sophia does not do 2-girl sessions (although I've tried to persuade her on a number of occasions!), and I don't normally do 60-min. sessions (i.e., as opposed to 30-min. ones). However, this time I went for it. Sophia is one sexy little so-and-so. She talks dirty, and she acts dirty. One of her specialities is to make herself cum. I know ... but she does jerk and twitch as if it really is happening, so what do I know?

Her OWO (?10 extra on top of the standard 60-min. charge of ?100) is something else - one of the most magical ever; and we fucked in lots of different positions. During the last part of our time together, she massaged me, incl. head, back and front. There was also more OWO and posing provocatively with legs open while fingering herself. This girl is a natural, and I much enjoyed our session. I don't say this lightly, since, usually, I much prefer a 2-girl shag-fest.
