The Story:

I was in the mood for a double; called Barracuda who I think is a very good agency. She sorted the details and I visited the girls. Once there they looked very good and young and I was excited. But, they were a bit cold and Roberta took charge, once we were undressed and on the bed the rules started; no A, no OWO, no CIM, no fingers inside... they kiss, but hardly. They suck each others boobs a bit, but everything needs to be coordinated by you. After a covered BJ, I started mish with Roberta.... who after 3 minutes said she was tired and wanted me to go for Angela. I spend maybe 10 minutes with Angela in mish and doggie; Roberta sort of did a few things I asked, but looked beyond bored. Angela then said she was tired (how do escorts get tired after a few minutes????). I said, OK... what now? They had no real suggestions, so I asked for a hand job from Angela on Roberta's boobs.... somehow that didn't translate, so Roberta did it with a bored look. It was a very poor punt, I think they are going home soon. I think they are probably great girls trying to make a few bucks, but sorry, I have to protect my fellow punters to say go elsewhere.
