The Lady:

This lady is stunning. I am not up on ladies sizes and shapes but she is ALL woman. Curvy and trim. Loved her breasts and nipples (adorned) and her warmth. Great legs and butt. Mmmmmh !!!

The Story:

I would love to write a novel, but will resist!! This was my second visit just to make sure why I enjoyed it so much first time. This lady will be a surefire success in this industry. If she were mine I would lock her away and treat her like the princess she is. Needless to say she dressed as I requested and treated me to a GFE which thrilled and excited me. While I know we are all different she will not disappoint the discerning customer. A new star on the scene.

I have only one comment which I know she will laugh at - Maddi get a hanger!!! Maddi see you again soon when the pleasure and pain formula works!! Five star *****
